

Nichole A. Ginnan, Ph.D.

Curriculum vitae

3487 Boyce Hall, 900 University Ave, Riverside, CA 92512
nginn001@ucr.edu | www.nicholeginnan.com

EDUCATION

Doctor of Philosophy (Ph.D.) in Plant Pathology | September 2014 - June 2020

University of California, Riverside, CA

- *Research Advisor:* Dr. Caroline Roper
- *Committee members:* Dr. Caroline Roper, Dr. Jason Staijch, and Dr. Emma Aronson
 - *Dissertation title:* Pathogens, Plant Phenology, and Microbial Competition Impact the Structure and Function of the Citrus Microbiome

Bachelor of Science (B.S.) in Biology | September 2010 - January 2014

Long Island University, Brookville, NY

- *Research Advisor:* Dr. Kent Hatch
 - *Research focus:* Ecology

EXPERIENCE

Assistant Project Scientist | July 2025 - *current*

Granted Principal Investigator (PI) status & Advised by Dr. Caroline Roper
Department of Microbiology and Plant Pathology
University of California, Riverside, CA

**Accepted offer that was withdrawn due to government hiring freeze in effect since January 2025*

Research Plant Pathologist (GS-13) | offer made in December 2024

Agricultural Research Services | Hired to start plant-microbiome interactions lab
United States Department of Agriculture, Salinas, CA

Adjunct Researcher | November 2022 - June 2025

Advised by Dr. Maggie Wagner
Department of Ecology and Evolutionary Biology
University of Kansas, Lawrence, KS

Research Project Manager II | November 2022–May 2025

One Health Microbiome Center, Huck Institutes of the Life Sciences
Pennsylvania State University, University Park, PA

Postdoctoral Scholar | September 2020 - October 2022

Advised by Dr. Maggie Wagner
Department of Ecology and Evolutionary Biology
University of Kansas, Lawrence, KS

Interim Postdoctoral Scholar | July 2020 - September 2020

Advised by Dr. Caroline Roper
Department of Microbiology and Plant Pathology
University of California, Riverside, CA

Graduate Student Researcher | September 2014 - June 2020

Advised by Dr. Caroline Roper
Department of Microbiology and Plant Pathology
University of California, Riverside, CA

Research Assistant | June 2012 - January 2014

Department of Biology
Long Island University - Post Campus, Brookville, NY

FELLOWSHIPS

University of California President's Dissertation Year Fellowship | August 2019 - June 2020

UC Office of the President; \$22,570 stipend, tuition and fees for 1 year, and \$1,000 in travel funds. This is a highly-competitive merit-based award given to two graduate students each year from across all graduate programs at UC Riverside.

National Science Foundation Graduate Research Fellowship | July 2016 - June 2019

National Science Foundation; \$172,000 stipend, tuition, and fees for 3 years. This program funds graduate students who are anticipated to become experts in their field and contribute to the goal of increasing diversity in science and engineering fields.

Dean's Distinguished Fellowship | August 2014 - June 2016

University of California - Riverside; stipend, tuition, & fees for 5 yrs (declined last 3 years). This fellowship is awarded to a limited number of outstanding graduate applicants each year.

MANUSCRIPTS IN PREPARATION

(* equal contribution; # corresponding author)

- **Ginnan NA#**, Rodriguez C, Sanderson B, Tso F, Ford N, Kleiner M, Wagner MR#. Wild *Luteibacter* populations exhibit climate-associated tradeoffs and distinct genomic strategies for osmotic stress tolerance. *In preparation*. *Target: mSystems*
- **Ginnan NA***, Kural C*, Custódio V, Ford N, Jones DH, Wells DM, Castrillo G, Wagner MR#. Contrasting structural and physiological strategies underlie water responses in maize and its wild relatives. *In preparation*. *Target: New Phytologist*
- **Ginnan NA**, McCollum G, Roper MC#. Early citrus transcriptional response to *Candidatus Liberibacter asiaticus* transmission via Asian Citrus Psyllid. *Target: Molecular Plant-Microbe Interactions*
- De Anda NI, **Ginnan NA**, Roper MC#. Microbial competition for iron governs plant microbiome assembly. *In preparation*. *Target: Nature Microbiology*

AWARDS & SMALL GRANTS

2024	Staff Excellence Award, University Staff Advisory Council, Penn State Univ. (\$500) • <i>For embodying the University Values of integrity, respect, responsibility, discovery, excellence, and community.</i>
2020	Charles W. Coggins, Jr. Endowed Scholarship, UC Riverside (\$10,000) • <i>For research excellence and benefit to the agricultural industry.</i>
2019	Peter/Pamela Tsao Graduate Student Scholarship, UC Riverside (\$1,000) • <i>For excellence in soil-borne disease research.</i>
2019	Earle C. Anthony Travel Grant, UC Riverside (\$1,500)
2019	Edmond C. Calavan Memorial Scholarship Award (\$1,000) • <i>For research excellence in the field of plant pathology.</i>
2018	Charles W. Coggins, Jr. Endowed Scholarship, UC Riverside (\$4,642) • <i>For research excellence and benefit to the agricultural industry.</i>
2018	Am. Phytopathological Society Moller Student Travel Award (\$500)
2018	Am. Phytopathological Society Mathre Education Endowment (\$1,000)
2017	European Molecular Biology Organization Travel Grant (450 €)
2016	Noble Foundation Best Poster Award, APS annual meeting (\$250)
2016	Audience Choice Award - Best Talk, UC Riverside GradSlam (\$2,000)
2015	Am. Phytopathological Soc. Don/Judy Mathre Educational Award (\$500)
2015–19	Graduate Student Assoc. Travel Grant, UC Riverside (\$300–\$600 yearly)
2015–19	Klotz Memorial Travel Award, UC Riverside (\$500–750 yearly)

2013 Frontier Award in Scientific Research, Long Island University

GRANTS: AWARDED

Title: T32: Biotechnological and Integrative Opportunities in Microbiome Sciences (BIOMS)

Project Number: 1T32GM156692-01

Funding agency: National Institutes of Health (NIH), NIGMS

Amount requested: \$2,956,485

Amount funded: \$3,167,485 (*NIH awarded four additional student slots for year 1*)

Role: Program Director/Principal Investigator (PD/co-PI) (*first author of the grant*)

Others involved: Seth Bordenstein (PD/PI) and Jasna Kovac (PD/co-PI)

Date submitted: January 2024

Date awarded: June 2025

I forfeited my role as co-Director of the program when I left Penn State University in May 2025

Title: Mining Bacterial Genomes for Genetic Factors Involved in Microbial Drought Adaptation and Microbially-mediated Drought Tolerance in Plants

Funding agency: Seed Grant Program, Center for Genomics Research, University of Kansas

Amount requested: \$12,000

Amount funded: \$9,000

Role: Principal Investigator (PI)

Others involved: Maggie Wagner (co-PI)

Date submitted: October 2021

Date awarded: December 2021

GRANTS: PENDING

Title: Unraveling soil legacy and host genotype effects on carrot rhizosphere microbiota function and nematode suppression

Funding agency: United State Department of Agriculture (USDA), NIFA/AFRI

Amount requested: \$793,109

Role: Program Director/Principal Investigator (PD/PI)

Others involved: Caroline Roper (co-PI), Bao Lam Huynh (co-I), Phil Simon (Senior Personnel)

Date submitted: October 2025

GRANTS: NOT REVIEWED DUE TO CHANGES IN GOVERNMENT PRIORITIES

Title: BII-HEIRS: Holobiont elements influencing response to stress

Funding agency: National Science Foundation (NSF), Biology Integration Institute Program

Amount requested: \$15,000,000

Role: Senior Personnel (*first author of the grant and co-advising plant-related research*)

Others involved: Seth Bordenstein (PI), Sharifa Crandell (co-I), Francisco Dini-Andreote (co-I), Tim Miyrashiro (co-I), Vishal Singh (co-I), Gang Fang (co-I).

Date submitted: February 2025

NSF Program was archived after the submission date due to renewed government priorities. Notified that the proposal would not be reviewed in June 2025.

INVITED TALKS

2026	University of Warwick, School of Life Science Seminar Coventry, United Kingdom
2026	Colorado State University, Biology Seminar Fort Collins, CO
2026	University of Texas, Molecular Biosciences Seminar Austin, TX
2026	33rd Plant and Animal Genome Conference San Diego, CA
2025	UC Riverside Center for Plant Cell Biology Symposium Riverside, CA
2025	UC Riverside, Plant Pathology Seminar Riverside, CA
2024	USDA-ARS Special Seminar Salinas, CA
2024	Applied Hologenomics Conference Copenhagen, Denmark
2023	Corporate Council, American Society for Microbiology Houston, TX
2023	Penn State University, Microbiome Center Seminar State College, PA
2022	Phytobiomes Conference Denver, CO
2022	Oregon State University, Botany and Plant Pathology Seminar Corvallis, OR
2021	Kansas Microbiomes of Aquatics, Plants, and Soils symposium Virtual
2020	McGill University Plant Sciences seminar Montreal, Quebec, Canada
2020	University of California Davis MMI seminar Davis, CA
2019	International Research Conference on HLB (IRCHLB) Riverside, CA
2019	UCR Microbiome Initiative Symposium Riverside, CA

PRESENTATIONS

Talks

2022	Genetics of Maize-Microbe interactions research network Virtual
2020	Genetics Seminar, Univ. of Kansas Lawrence, KS
2019	UCR Plant Pathology seminar Riverside, CA.
2019	USDA NIFA grant advisory meeting Riverside, CA
2017	UCR Plant Pathology seminar Riverside, CA
2016	UCR Plant Pathology Seminar Riverside, CA
2016	GradSlam Finals Riverside, CA
2015	GradSlam Semi-finals Riverside, CA
2013	LIU Faculty Research Seminar Brookville, NY

Posters

2021	Nature Conferences: Harnessing the plant microbiome Davis, CA
2019	Congress of Molecular Plant-Microbe Interactions Glasgow, Scotland
2018	International Conference of Plant Pathology Boston, MA
2018	Citrus Day Riverside, CA
2017	EMBO Plant Microbiota Practical Course Cologne, Germany
2017	Citrus Day Riverside, CA
2016	Phytobiomes: From Microbes to Plant Ecosystems Santa Fe, NM

2016	American Phytopathological Society Annual Meeting Tampa, FL
2015	American Phytopathological Society Annual Meeting Pasadena, CA
2015	Phytobiomes: New Paradigm for Crop Improvement Washington, DC
2013	National Meeting of Ichthyologists and Herpetologists Albuquerque, NM
2013	William Paterson University Scientific Research Symposium Wayne, NJ
2013	Long Island University Research Symposium Brookville, NY

TEACHING & MENTORING

Workshops:

2024 (Fall)	Co-Chair and presenter , Kickstart workshop: introduction to microbiome data analysis (5-days), Penn State University
2023 (Fall)	Co-Chair and presenter , Kickstart workshop: introduction to microbiome data analysis (3-days), Penn State University

Seminar Organizer:

2025 (Spring)	Microbiome Center Seminar Series (MBIOM 550), Penn State University
2024 (Fall)	Microbiome Center Seminar Series (MBIOM 550), Penn State University
2024 (Spring)	Microbiome Center Seminar Series (MBIOM 550), Penn State University
2023 (Fall)	Microbiome Center Seminar Series (MBIOM 550), Penn State University
2023 (Spring)	Microbiome Center Seminar Series (MBIOM 550), Penn State University

Teaching assistant

2016	Introduction to Microbiology Laboratory (MCBL121L), UC Riverside
	Received an Outstanding Teaching Assistant Award from the Graduate Division

Guest lectures

2024	Advances in Ecology (ECLGY 515; Graduate Level), Penn State University
2024	Current events in Biotechnology (MCIBD 571; Graduate Level), Penn State University
2024	Environmental Microbiology (SOILS 512; Graduate level), Penn State University
2023	Current events in Biotechnology (MCIBD 571; Graduate Level), Penn State University
2022	Introduction to Honors Research (BIOL 499; Undergraduate level), Univ. of Kansas
2018	Plant Virology and Bacteriology (PLPA 203; Graduate level), UC Riverside
2016	Arlington High School Biology Class, Riverside, CA

Undergraduate research mentor

1.	Carmen Rodriguez Univ. of Kansas	2021–2025
2.	Natalie Ford Univ. of Kansas	2021–2022
3.	Hannah Reid (REU student) Univ. of Kansas	2021
4.	Felicity Tso (transition into full-time technician) Univ. of Kansas	2020–2022
5.	Matthew Guevara UC Riverside	2019–2020
6.	Rohan Subramanian UC Riverside	2019
7.	Norma Itzel De Anda UC Riverside	2018–2020
8.	Tim Smith UC Riverside	2018–2020
9.	Yona Mizrahi UC Riverside	2017

10. Hannah Way UC Riverside	2016–2019
11. Anisah Kabbara UC Riverside	2016–2017
12. Chi Lok Leung UC Riverside	2015–2016

Mentoring Programs

2017	Graduate Peer Mentor , Grad. Success/Grad. Division, UC Riverside - Mentored incoming graduate students participating in the 3-month summer “GradEdge/Jump Start” program, which provides underrepresented STEM graduate students a “jump start” on professional/academic development. - Mentees: - Yair Sanchez Juarez (Mechanical Engineering) - Aidan Shands (Plant Pathology) - Pablo Unzueta (Chemistry) - Daniel White (Chemical and Environmental Engineering)
2015–16	High School Mentor , Association for Women in Science, UC Riverside Mentored high school students from rural areas through the Mecca Program
2012–13	International Student Mentor , Conversations Helping and Teaching Students (CHATS), Long Island University

SPECIALIZED TRAINING

2021–22	Maize Genetics Industry Mentor Program (6 mo.), <i>Mentor: Chris Kafer, BASF</i>
2021	Population Genetics Discussion Group (12 weeks), University of Kansas
2021	Software carpentry workshop, University of Kansas
2020	Microbial ‘Omics Online Seminar Series (6 weeks), Univ. of Chicago
2018	Statistical modeling in R for Biologists, UC Riverside
2018	Science to Policy communications workshop, UC Riverside
2017	Plant Microbiota practical course, Max Planck Institute, Cologne, Germany 2-week course on experimental/computational techniques. Led by Paul Schulze-Lefert, Stephane Hacquard, and Ruben Garrido-Oter. <i>Competitive application process, received EMBO travel grant</i>
2016	PMA/EMA-qPCR for quantifying bacterial cells in hosts, Lake Alfred, FL Led by Nian Wang.
2015	Programming in R workshop, UC Riverside

INTERNAL LEADERSHIP & SERVICE

Penn State University, University Park, PA

2023–25	Curriculum committee member , Dual Title PhD in Microbiome Sciences program
2023–25	Exec committee member , Dual Title PhD in Microbiome Sciences program
2023–24	Co-chair , One Health Microbiome Symposium organizing committee
2022–25	Member , Center for Root and Rhizosphere Biology

University of Kansas, Lawrence, KS

2021–22 **Co-organizer**, Center for Genomics Symposium organizing committee

University of California, Riverside, CA

2017–18 **Graduate Rep.**, Dean of Students Search Committee

2017–18 **Vice President of Academic Affairs**, Graduate Student Association

- ***Paid elected position:*** Represented and advocated for >3,200 graduate students. Managed a team of seven academic affairs officers. Oversaw the status, funding, and activities of 56 departmental graduate student organizations, an event/conference funding program, and an outreach funding program.

2016–19 **Co-founder & Communications Coordinator**, Outreach Committee, Plant Pathology Graduate Student Association

2015–18 **Graduate Rep.**, Faculty Academic Senate's Graduate Council

2015–17 **Conference Travel Grant Coordinator**, Graduate Student Association

- ***Paid appointed position:*** Directed the conference travel grant program (budget ≈\$250,000) by organizing, reviewing, and awarding hundreds of awards to individuals.

2015–17 **Vice Chair**, Highlander Union Board of Governors

2014–16 **Graduate Rep.**, Global Food Initiative, Food Security Committee

2014–15 **Graduate Rep.**, Faculty Academic Senate's Extension Committee

2014–15 **Academic Affairs Officer**, Graduate Student Association

- ***Paid appointed position:*** Served as a liaison between the College of Natural and Agricultural Sciences and graduate student association.

2014–20 **Member**, Plant Pathology Graduate Student Association

PROFESSIONAL AFFILIATIONS & SERVICE

Manuscript review

International Society of Microbial Ecology (ISME) Journal; Plant Pathology Journal (x2); Phytobiomes Journal (x2); New Phytologist; Journal of Ecology; FEMS Microbiology Ecology (x2); Plant, Cell & Environment; FEMS Microbiology Letters (x2); Canadian Journal of Microbiology (x2); Global Change Biology; ISME Communications; Phytopathology; Plant and Soil.

Grant review

2019 American Phytopathological Society travel grants (5 applications)

Moderator or Organizer

2026 **Organizing committee member**, International Phytobiomes Conference

2022 **Moderator**, IS-MPMI Early career showcase (2-day virtual event)

Membership

2023– **Plant Microbiome Working Group member**, International Phytobiomes Alliance

- 2023– **Animal Microbiome Working Group member**, International Phytobiomes Alliance
- 2023– **Coordinating Committee member**, International Phytobiomes Alliance
- 2023– **Member**, American Society of Microbiology (ASM)
- 2023– **Member**, One Health Task Force, Commonwealth of Pennsylvania
- 2020– **Member**, Genetics of Maize-Microbe interactions research network
- 2020– **Member**, International Society of Microbial Ecology (ISME)
- 2019– **Member**, International Society for Molecular Plant-Microbe Interactions
- 2017– **Member**, UC Riverside Microbiome Initiative
- 2015– **Member**, American Phytopathological Society (APS)
 - *Participated on Graduate student committee, Bacteriology committee, and Early career professionals committee.*

OUTREACH & COMMUNITY SERVICE

- 2024 **Panelist**, National Institute of Antimicrobial Resistance Research & Education (NIAMRRE) meeting, Virtual
- 2024 **Panelist**, Antimicrobial Resistance Awareness Day, State College, PA
- 2023 **Panelist**, AEPS515 course: Academic Career Panel, State College, PA
- 2023 **Exhibitor**, American Society of Microbiology Microbe Conference, Houston, TX
- 2023 **Guest Speaker**, Professional Development lunch, Penn State Microbes for Microbes Grad Student Organization, State College, PA
- 2023 **Moderator/Host**, Microbiome Expert Panel, The State Theatre, State College, PA
- 2022 **Scientific Poster Judge**, KU Molecular Biosciences Symposium, Lawrence, KS
- 2022 **Scientific Poster Judge**, KU Genomics Symposium, Lawrence, KS
- 2022 **Panelist**, Postdoc advice panel, MEE conference, Lawrence, KS
- 2021 **Guest Host**, Microbigals Podcast, “Do Plants have a Microbiome?”
- 2021, 2022 **Host**, Meet a Scientist, 6th graders, SC Central School, Sandy Creek, NY
- 2018 **Organizer & Presenter**, Plant Pathology Day
 - *100 High School Students invited to campus for a full day event about STEM careers and Plant Pathology. Organized and presented section on plant microbiomes.*
- 2018 **Panelist**, STEM graduate student panel for high schoolers, UC Riverside
- 2016 **Co-organizer**, The Riverside Amazing College Race, Riverside, CA
 - *Scholarship competition and higher education promotional event.*
- 2016 **Volunteer**, STEM Sisters, middle school outreach program, UC Riverside
- 2014–17 **City Ambassador**, Riverside Mayor’s College Forum, Riverside, CA
 - *Collaborated with student leaders from all four regional colleges and the Mayor’s office to improve relations between students and the city.*
